Sir:

This Supplemental Amendment and Reply is being filed in response to the PTO Office Communication mailed on February 9, 2006. In the communication, the Examiner indicated a discrepancy in the claims listed in the Amendment and Reply filed on November 22, 2005 and those of the original application. Applicants unintentionally filed a different set of claims for claims 2-12 in the November 22, 2005 Amendment and Reply. This Supplemental Amendment and Reply presents the proper listing of claims and their associated status identifiers. In addition, the Supplemental Amendment makes associated corrections to the Reply.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 19-0036.
